## 2011-2012 School Year Uniform Price List

The School Leadership Team (SLT), Parents Association (PA) and concerned parents and students have agreed on a uniform policy for our school, beginning September 2011. Students previewed the uniform at an assembly and the reviews were positive. This is a good move for our school as we work towards our goal of becoming a school of academic excellence, greater emphasis on students becoming college and career ready, and a school culture that values personal and professional respect.

Students may choose from a variety of school wear. The basic uniform consists of the green top with logo and dark colored pants, black jeans, khakis – skirts or skorts. The green sweaters, vests, cardigans are optional.

Uniforms can be purchased from:
